switch by timbre

Switch is a bilingual English and Mandarin latest live music restaurant and bar by the Timbre Group, located in the arts and heritage district of Bras Basah.

The 300-seater sets the stage for the best up-and-coming Singaporean musicians proficient in Mandarin & English pop-rock and sees live performances nightly; from an intimate 2-piece duo to a full 6-piece band rocking out on stage on weekend nights. Not just a place for live music and drinks, Switch serves up a menu incorporating the best of what Timbre has to offer in tapas and pizzas; and teases with some crazy Asian-inspired dishes.
