timbre @ gillman

Finding good company amongst a cluster of global creative minds, Timbre Group's latest offering within contemporary arts destination Gillman Barracks integrating music, food and art to provide a distinctive venue for appreciating and celebrating creative talent.

Built from scratch, the venue's look and feel is inspired by its green surroundings, featuring a stage that makes a striking centerpiece with its green canopy of live plants. The group's largest venue to date at 5,000 sq ft, Timbre @ Gillman will reach out to a bigger audience of over 200. The combined space extends the range of possibilities for holding various events up to a capacity of 720 people.
